

School Supplies

Ms. Amity's and Ms. Kari's Class

School Year 2018-2019

It's every kid's favorite time of year...School Supply Shopping! If your child's supplies are in good shape from last year (no broken binders or pencil pouches please), I encourage you to reuse them. Please **do not** label each item with your child's name. See the school supply preparation sheet for details.

In addition to your child's individual school supplies, I am requesting that each grade level provide the item listed below. As we run out of these consumable items, I will send out another request.**
