

Expert Project Assignment #1
Thursday, September 6, 2018

Homework:

1. Complete your *topic features chart*. Review each feature thoughtfully. You should be able to give examples of how the topic supports the feature for which you gave it a +.
2. Complete your *topic selection* and *preliminary research* sheets. Choose the topic you feel most strongly about that also has the required number of + signs. Complete the questions about your potential topic, and then do some preliminary research to confirm this topic will work. You are welcome to use www.onlinelibrary.uen.org or another encyclopedia AND a non-fiction book or biography you found this summer.
3. Do you have a library card? Do you know where it is? Do you have a PIN to use for requesting books? Do you remember what your PIN is? You should bring your library card with you to school next week.

If you don't have a library card for your home library, please get one and bring the card next week. Our ultimate goal is for everyone to have a Weber County Library card.
