

# Expert Project Assignment #10

Thursday, November 15, 2018

## In Class:

1. Combine stacks of note cards into your sub-topic piles. Assess how sub-topic coverage is going and make a plan for this week.

➤ Look at your time and pattern over the last two weeks, and adjust your plan to meet the goal of 30-40 notecards.

2. Discuss criteria for evaluating websites.

## Homework:

### Part I. Prepare 30-40 research note cards.

Your goal is to "complete" research on sub-topics that you are "almost finished" researching and to strive to complete research on subtopics that you will include in the **first half** of your report.

If you are done with the above tasks, keep going!

Remember...

- ❖ Write **one fact/idea per card**.
- ❖ Include **the resource number**.
- ❖ Include **the page number** of the resource.
- ❖ Write **neatly**.
- ❖ Be sure you **spell proper names correctly**.

**Bundle your 30-40 new cards into a rubber band and turn them in.**

### Part 2: Evaluate Potential Websites.

Fill out the Website Evaluation Chart—Authoritative Sources. Review up to four websites. **Select two** that you would like to use for your report.

**DUE Thursday, November 29, 2018**
