

Expert Project Assignment #14

Thursday, December 20, 2018

Homework:

1. Make your final report outline.

- Think about the project as a whole, with each section leading logically to the next.
- The ideal set-up is 4-5 chapters.
- By now you should know which sub-topics you will include in which chapters.
- List the sub-topics for each chapter in the order you will write about them.

2. Begin to outline your first chapter in detail. Use the “Expanded Chapter Outline”

- Be sure you are 100% finished with all of your research for chapter 1.
- Bundle your chapter 1 note cards according to sub-topic, in order.
- Fill in the following information the basic information at the top of your Expanded Chapter Outline (Title, chapter #, chapter title)
- Write in the A, B, C SECTION TITLES ONLY from your Report Outline.
- We will fill out the rest of the outline next week.
- Bring your chapter 1 note cards, bundled and organized, to our meeting next week.

3. Finish any research for chapters 2 and 3. We are outlining those chapters next!
