

Expert Project Assignment #5

Thursday, October 4, 2018

In Class:

- I. Review biggest thinking questions.
- II. Check in on book resources.
- III. Discuss Sub Topics.

Homework:

Developing Your Topic

- Spend this week reading through a second or the rest of your resources (depending on the size of your books). You should be familiar with the different aspects of your topic by now.
- Create a "sub-topic" brainstorm, using the attached outline format. (You may type it.) Challenge yourself to come up with 5 sub-topics.
- Write a few sentences about what each sub-topic will include.
