

# NORTHERN UTAH STEM EXPO

science | technology | engineering | mathematics

## FREE FAMILY EVENT

Monday, November 5, 2018  
4:30 pm - 7:30 pm  
Davis Conference Center  
1651 N 700 W, Layton, Utah

- Open to grades K-12
- Explore STEM Careers
- Hands-on Activities
- Interactive Displays
- 50+ Businesses
- Career and College Planning

Bring your family to the free STEM EXPO (Science, Technology, Engineering, and Math). Parents and students from Davis, Weber, Ogden, and Morgan School Districts are invited to attend this free family event featuring local STEM business and education institutions.

Learn about career opportunities in the local STEM industries. Learn more about STEM with hands-on activities, and meet with representatives of local technical colleges, community colleges and universities to explore educational pathways. Come be a part of the explosive and exciting world of STEM!

## TECH TALK

Exploring Technical Education and Career Pathways

### STEM CAREER PATHWAYS PANEL

6:00-7:00 P.M.

Join us for Tech Talk, an industry and education panel, to learn more about STEM career pathways.
