

STARBASE Hill Information for Maria Montessori transportation onto Hill AFB

Hill Air Force Base has graciously offered to let us use two of their base buses to transport Maria Montessori students onto base, so they can attend our STARBASE program. In the event the buses are routed somewhere else for that day, we have a contingency plan below.

All parents driving students on base will need to give Amy Otto or Maria Montessori office the full name listed on your driver's license, your driver's license number and the state it was issued in. We will turn the information over to security forces, so they can clear each driver to get on base. The morning you come to drop your child off at STARBASE you will enter the south gate and proceed to our location.

Drop off location: STARBASE Hill (please see map below or google map address)

5731 E Ave, Bldg 460, Hill AFB, UT 84056

Drop off time: Between 9-9:15 am / **Pick up time:** Between 2:45-3 pm
