

# Registration Opens September 25

Approximately 24,000 girls from around the country attend an Expanding Your Horizons conference each year, and now you can, too. The Northern Utah 2018 EYH conference is a one-day event where girls from grades 6 to 9 can learn about how fun science, technology, engineering and math can be!

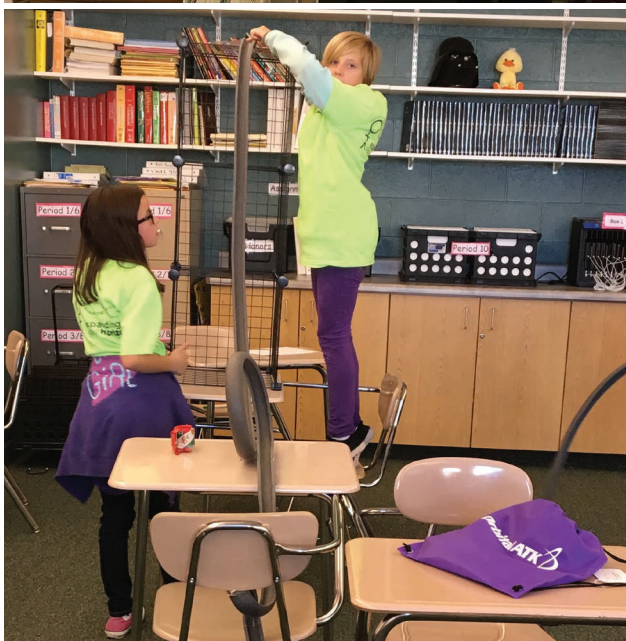

- Participate in workshops taught by women in science and technology fields
- Discover what it's like to be a doctor, a rocket scientist or a computer programmer
- Experience the fun of hands-on learning—design, build, measure, mix, launch, test, laugh and learn
- Attend an exciting keynote session by Lindsay Storrs, 2 News Meteorologist
