

Maria Montessori Academy
Field Experience on January 11, 2017.
at Ogden Nature Center,
966 W 12th Street, Ogden

The lead instructor is Ms. Jalee; jschofield@mariamontessoriacademy.org

We will be going to Ogden Nature Center to participate in the Field Ecology field trip where we will learn about connections in nature of living things in our area.

What you will do and what you will learn

- Become nature detectives
- Hunt down animal clues around the Nature Center
- Discover tracks to feathers and fur.
- Trek on snowshoes if conditions permit.

What you will need to wear or bring

- School uniform.
- Dress warm: coat, hat, gloves.
- Wear snow boots that will keep feet warm while in snow.

Our Schedule

- 8:45 a.m. – Meet at entrance of Ogden Nature Center and split into groups. Children will be transported by parents and car pool.
- 9 – 11 a.m. – Animal autograph activities with Ogden Nature Center guides.
- 11 a.m. – Parents will pick up kids from Ogden Nature Center and return them to school for remainder of day.

Who to contact about carpools
