

Maria Montessori Academy
Field Experience on April 26, 2017
At Discovery Gateway Children's Museum,
444 W. 100 S. Salt Lake City

The lead instructor is Ms. Jalee; jschofield@mariamontessoriacademy.org

We will be going to Discovery Gateway Children's Museum to participate in Simple Machines field trip where we will learn about simple machines and their uses. We will also have time to explore the museum.

What you will do and what you will learn

- Discover, explore, and create with interactive hands-on exhibits
- Learn about art, science, language, music, healthy lifestyles, careers
- Interactive play
- Simple machines, such as planes, pulleys, levers, wedges, screws

What you will need to wear or bring

- School uniform
- Sack lunch and water bottle with easy to carry backpack
- Money for gift shop if desired

Our Schedule

- 8:10 a.m. – Meet at UTA train station on Wall Ave and board Frontrunner. Train leaves at 8:37 a.m.
- Arrive at Discovery Gateway by 9:40 a.m. and attend Simple Machines workshop from 10 – 10:30 a.m.
- 10:30 – Explore the rest of the interactive museum with chaperones. Lunch will be eaten at the Gateway Food court. Time can be decided by chaperones.
- 1:45 p.m. – Leave Discovery Gateway and board frontrunner for ride home. Will arrive back at the station on Wall Ave in Ogden at 2:52 p.m. Parents will need to pick children up there.

Who to contact about carpools
