

Studio – Spring 2017

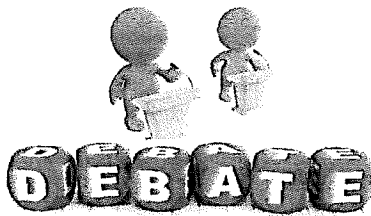

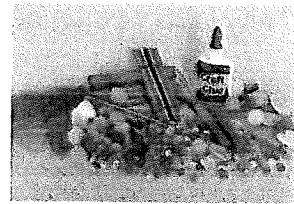

Category I

WOD is Back! – Ms. Shanana

Come once again and test your limits. We all need to get fit for spring! This class will help you with all your other sports. It strengthens your core muscles, makes you flexible and gives you more energy. If you want to be tough and need a good work out come to WOD!

Pinterest Games & Crafts! – Ms. Amy

Come join us learn new fun and exciting Pinterest games and crafts. We'll cut, glue, fold, play and create together. I hope you join us for a fun filled Studio Friday class. Each Pinterest session is filled with new and different adventures.

What's Your Point? Debate Studio – Ms. Paula

Do you like to talk? Come join our debate studio where you will learn how to construct a good argument for or against issues or things that are important to you. You will also learn to practice your speaking skills while you challenge your peers to a debate!

Dazzling Documents with Ms Stef Join me as we will expand your knowledge of Microsoft Word and Excel programs. Learn skills that will allow you to add some style to your documents and create tables and graphs which will make your projects shine! Remember those continent reports, book reports and special projects! Let me show you how you can make them look awesome!

Note: This is the **SAME CLASS** I taught in September of last school year. Please choose another class if you were in that studio class.

Category II

Cooking - Mr. John. Students! Come and practice your cooking skills with a selection of modern and older recipes. All sessions involve learning about safe practices in the kitchen, measuring ingredients, following a recipe and of course the preparation and cooking of food. Naturally, you get to eat or take home the delicious food you will have prepared, along with decorating and preparing menus and taking part in mini-quizzes. Come and enjoy!

Courtroom Challenge – Ms. Kirsten Have you ever wondered what really happens in a courtroom? Have you dreamed of what it would be like to be a judge, juror, or lawyer? Now you can find out! Come join us as we learn all about how trials work and the different roles people play in court. We will have a great time trying a real court case! You will research the facts and evidence, study the law, and play the roles of judge, jury, lawyers, plaintiffs, and defendants. See if your verdict is the same as the real case!

Science Experiments - Ms. Nicoletta

Come explore, have fun and laugh while creating organized chaos with science experiments. Rather than have science be intimidating, learn how to have fun with science- explore the art and imagination of science.

We will use all of our senses- touch, taste, hear, see and smell to explore science. We will also build and dive into the beauty of chemistry and collaborate as teams to process the Scientific Method. See you in SCIENCE!

Comic Book Design - Ms. Amity. Come learn about the origin of comic books. We will study the history of the art and create our own short story with illustrations to match. We will explore different genres within the comic book world.

Art – Ms. Trudy – Sign up and let your creative juices flow. You will be making one of a kind art pieces when you take this studio class!
