

Original Works Q & A:

What is Original Works?

Turn your child's art into keepsakes (mugs, tote bags, pot holders, pillowcases, keychains, night lights, etc.). This fundraiser benefits your child's classroom directly.

What if my child didn't do or complete their art?

Complete it now! Art needs to be on plain 8.5"x11" paper (cardstock is best for durability). No 3-D art (glitter, pipe cleaners, etc.) and **no copyrighted** art. Must be original! Whatever you turn in with your payment will be considered complete.

What if my child made more than one piece of art?

You need one order form per piece of art. The order form needs to be filled out and taped to the back of your child's art.

What if I have a child who wants to participate and isn't at MMA?

Anyone can submit art. All you need is an order form and to designate which teacher you want to benefit!

How do I pay?

Write a check made to **Original Works** and attach it to the order form or write your credit card number on order form.

When are orders due?

Art, order forms, and payment must be returned to the front office by **October 17th**.

What needs to be on the art?

Your child's name, teacher's name, and a T designating the top of art must be written on the back of each piece of art.

When will keepsakes arrive?

Friday, November 30th!
