

Home Projects 2017-18

Ms. Jalee and Ms. Sara

| Month | Title/Type | Description | Presentation Time |
|-----------|-----------------------------|--|---|
| August | Get to Know You | Brown paper bag with 5 items in it that tell about themselves. Students will teach the about who they are by sharing the items and why they are important to them. (Ex. Nail polish because they like to paint their finger nails; a sea shell because they love the ocean.) | Any time during beginning of school year. |
| September | I Wonder... | A photo presentation about something students are curious about. | Sept 25 – Sept 29 |
| October | Book Report | A short book report given by the students about a book they read on their own or with an adult. A pumpkin of any size will be carve, painted, or decorated in any way to represent a character from the book. | October 23 - 27 |
| November | Animal | Students will create a small diorama of an animal's habitat and teach the class about the animal and where it lives. | November 27 – December 1 |
| December | Asia International Festival | A presentation having to do with Asia; animal, food, people, country, landmark, etc.; to be presented at the international festival. | Week of December 18 |

| | | | |
|----------|--------------|---|-------------------------|
| January | Author Study | Students will pick an author from a book they like and research about their life and writing style. | January 29 – February 2 |
| February | I Wonder... | A photo presentation about something students are curious about. Students will use a KWL(what I know, want to know, learned) chart to present this. | February 26 – March 2 |
| March | Artist Study | Students will be assigned an artist to present on by recreating a piece of that artists work and presenting it to the class with information on the artist. | March 26 - 30 |
| April | Cultural | A picture presentation based on an area of cultural: level 1s will pick a vertebrate; level 2s will pick a planet; level 3s will pick a dinosaur. | April 30 – May 4 |
