

2018-19 Student Supply List for Mr. John's class

What is required this school year?

- **Flash drive** – with the increasing use of computers **this is now essential** (a safer place to save work and allows students to bring work home if required).
- Colored pencils – we have a large selection of colored pencils in the class, but if you would like your child to have some personal ones then it is recommended.
- Blue or black pens – four (two of each).
- **For new students to the class only:** Three 2 inch or three 1-inch binders (one for math, language and social studies/science). Please do not bring anything bigger than a 2-inch binder – we are running out of shelf space! If you are a returning student then students should already have their own set of binders. **We do not use composition notebooks in class.**
- Plastic dividers for each binder (pocket dividers are optional).
- Trapper keeper. Can be optional, but a lot of students find them very useful.
- Twenty four #2 Pencils. If the student prefers to use mechanical pencils, it will be their responsibility to supply leads.
- Dry erase markers – one blue and one black, or a combination of blue, black, green and red.
- Scissors – appropriate for your child's size/age and left or right handed.
- Handheld pencil sharpener with shavings catcher attached.
- Erasers for pencils – 10.
- Pink erasers - 2
- Clipboard – This can be optional. We have approximately 15 clipboards in the class. However, these tend to disappear, so a clipboard with the student's name is a good idea.
- 12-inch ruler.
- 4 Glue sticks
- Compass and protractor for geometry.
- 2 rolls of paper towels.
- **Plastic** placemat for lunch – label on the back with your child's name.
- Refillable water bottle – labeled with student's name in permanent marker.
- **Indoor shoes (slippers) – can be Croc-like, or plain slippers without cartoon characters or designs. No flip-flops please.**
