Sound Beginnings at Utah State University  
is an early education program that provides  
home and center-based services to children  
with hearing loss whose families want their  
children to learn to listen and talk.

We are looking forward to  
working with you this summer!!

Activities will be included  
for all children ages 3-12 and teens ages 13-18.

## Available Activities

### Educational Parent Seminars:

Parents will interact closely with professionals and other parents in classes based on topics related to hearing loss and hearing technology. Topics include the following:

- Key Note Address – Justin Osmond
- Speed Meeting (Getting to know other families of children with hearing loss.)
- IEP/ Parent Advocacy – Sara Dautre
- Ask the Audiologist  
– Elizabeth Preston and Cache Pitt
- Sibling Panel
- Teen Panel
- Facilitating Positive Self-Esteem and Behaviors – Tyra Sellers
- Maintaining Family Balance  
– Diane Calloway-Graham

### Social Activities for Children and Families:

- Sound Beginning Camp Theme: What's Your Super Power? Go the Distance!
- Children with hearing loss and their siblings will build positive self-concepts and form friendships as they participate in camp activities!

**Partnering to help  
children with hearing loss  
reach their full potential  
today and tomorrow.**
