the prime meridian

Illustrated Map of Europe

Locate the following land and water forms on the previous map. Be sure that your map has a key (legend). Explain your symbols that you are using. For example: a blue squiggly line could represent a river. Every symbol you use on your map should be included in your key.

Label each land and water form with its correct name. Please make this work beautiful and neat.

major islands

fjord coast

seas

oceans

The Alps

Ural Mountains

Pyrenees Mountains

Rhine River

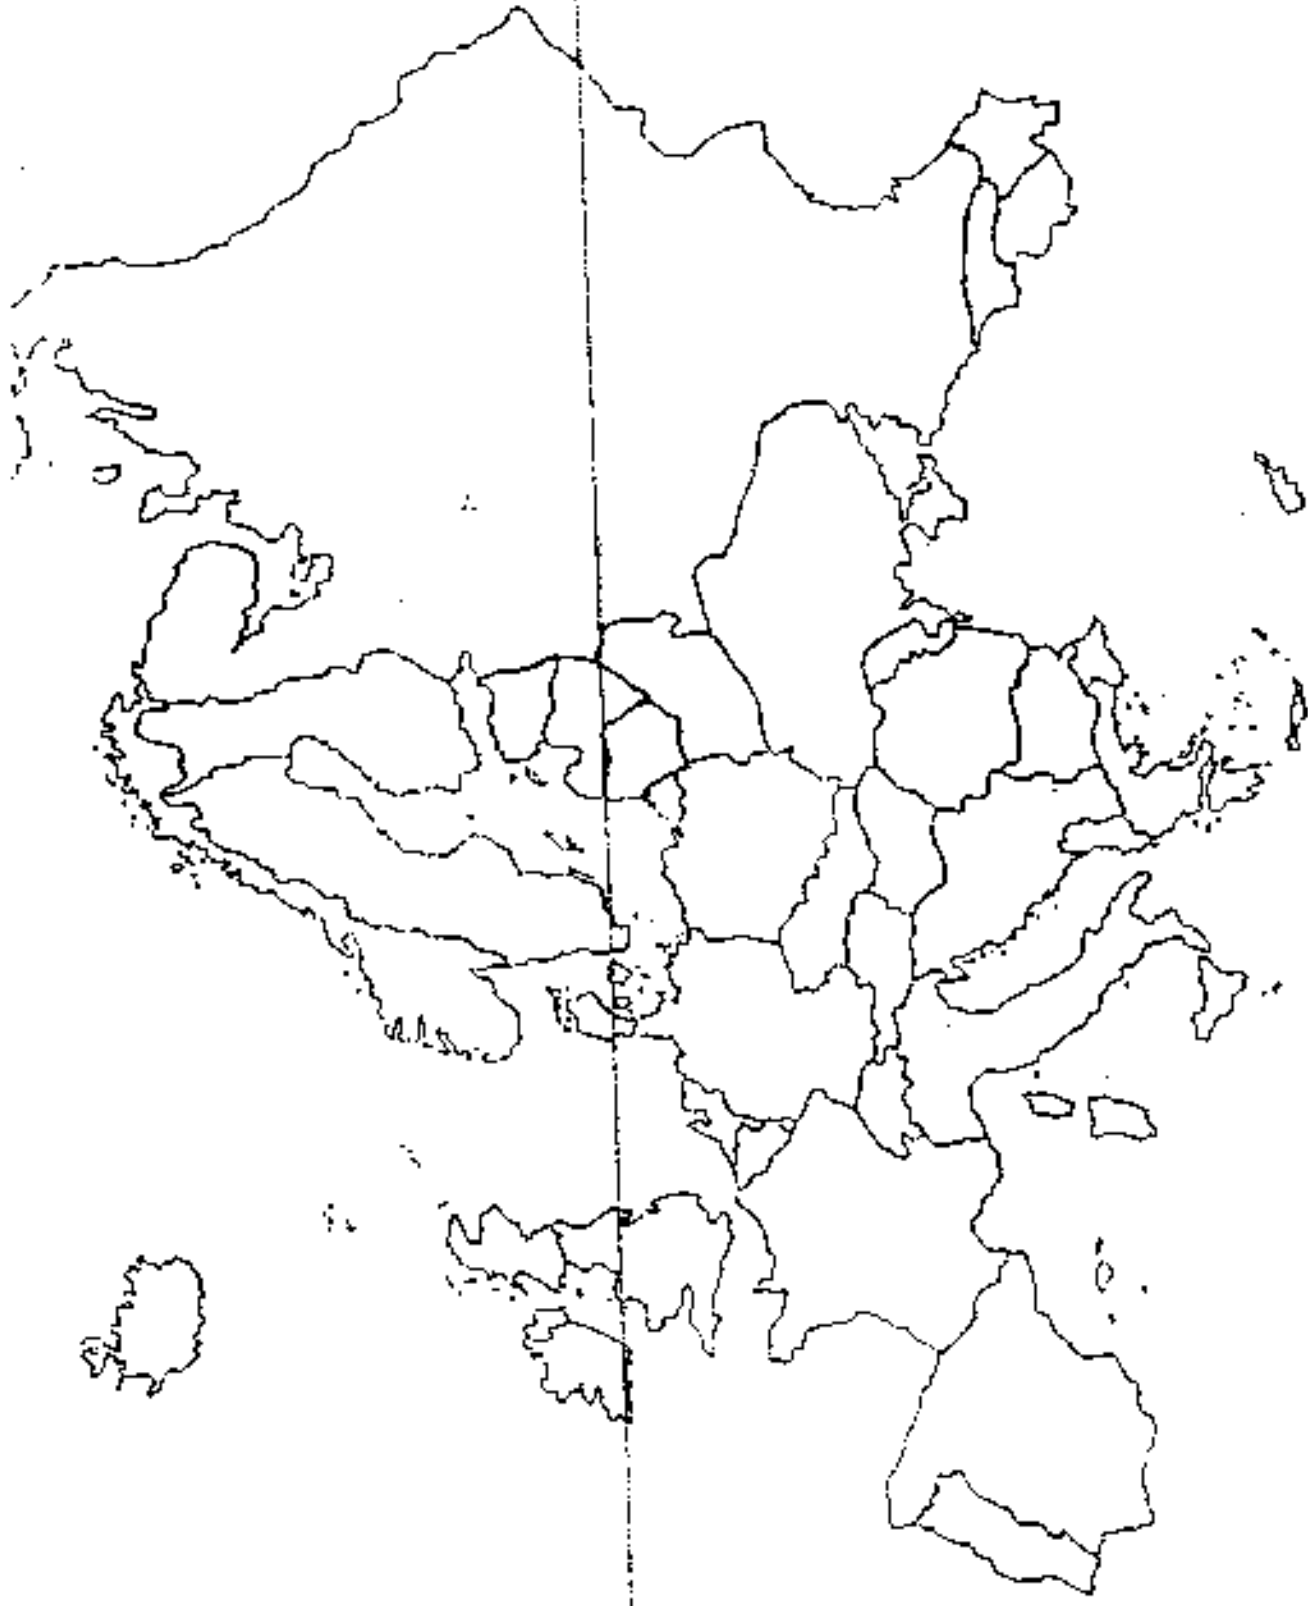

Rhone River

Danube River

Seine River

A few major cities

the prime meridian

Label all of the countries on this map. Use your nearest dictionary. You may choose to type the names and glue them on.

Continent of Europe

What cities do you see at the following locations:
