

Illustrated Map of South America

Locate the following land and water forms on the previous map. Be sure that your map has a key (legend). Explain your symbols that you are using. For example: a blue squiggly line could represent a river. Every symbol you use on your map should be included in your key.

Label each land and water form with its correct name. Please make this work beautiful and neat.

Andes Mountains
deserts
seas
oceans
Amazon River
pampas
rainforests
fjord coast
delta
Robinson Crusoe Island
Devil's Island
Falkland Islands
Cape Horn
Strait of Magellan

Using a map or an atlas, find the following locations on the continent of South America

CONTINENT OF SOUTH AMERICA

What cities do you see at the following locations:
