

OUR FIRST WEEK OF SCHOOL !!!

We have had a fabulous week! Our class photographer this week, Lucas, took some wonderful photos. I will attempt to describe what we were doing in the photos he took. Enjoy!!!

Ms. Jana (my team teacher) took the children outside to teach them one of the “Peaceful Playground” games. They loved it, as you can see.

This is a team building game we all enjoyed. It is called “Everybody Up”! Ask your children how to play and what they learned.

This game is a classroom favorite. Ms. Kathy led the students in this teambuilding activity. I haven't figured out how to rotate the pictures yet, I will fix them when I figure it out, sorry! Ask your children what the goal was of this activity and what they learned.

Our classroom photographer "Lucas" captured this great photo one of the girls in our classroom created with her colored pencils. We have a wonderful group of boys and girls in our class. I am thrilled to be their teacher and to have the opportunity to learn from them each and every day.
