

Maria Montessori Academy - Junior High Internship/Job Shadowing Form

Maria Montessori Academy strongly encourages parents to arrange for a single day job shadow for their student during the week of February 10th through the 14th. This is a non-school sponsored job shadow opportunity. All arrangements, including transportation, appropriate supervision, etc., should be secured by a parent. Those choosing to participate will be granted an excused absence for that single day. For students who are unable to secure a job shadowing situation an enriching career development activity will be provided. Class will be held as usual at the school for all students who do not participate in the job shadowing opportunity.

Please indicate below whether your student will participate in a job shadowing opportunity during intercession week (February 10-14).
