

Dear MMA Junior High Parent,

It has come to my attention (one day too late) that there is a scheduling issue. Our trip to The Front Climbing Club will *not* be on Friday. It will be on **Thursday, August 28<sup>th</sup>**. Everything else is correct.

If you have already signed the numerous, consent forms and already returned them, thank you! Please sign and have your student sign *this* form.

If you have not signed and returned the forms, please add this to the list.

By doing so, you will acknowledge that your prior paperwork will stand for the actual date of the field experience. You are still expected to either drop-off and pick your student up, or you will need to set up carpool plans.

Attached is also the The Front Climbing Club release form. Please sign both and return them in the time allotted.

Thank you for sharing your child with us, allowing them to have these adventures, and your patience with me.

Sincerely,

Ms. Kevi (Your fearless/fearful leader)
