

Dear Volunteer,

September 21, 2014

I am certain that you will be pleased with this opportunity to volunteer to help our students put to practice the financial skills they have been toiling to learn these past few months. You are a critical piece in providing a realistic experience on simulation day.

JA Biztown resides in Discovery Gateway in Salt Lake City (515 E. 100 S. SLC). On October 3rd you will need to be in the town by 8:30 for a short training to learn how to best support these kids. The teachers and students will be riding Front Runner and will be ready to begin the simulation between 9:15 & 9:30.

The program focuses on the students forming a budget and sticking to it while experiencing taxes as well as successes and failures in the stock market. The program is structured as an exploration experience and as a volunteer you can encourage the students to make their own decisions that they might see the results.

Should you be unable to attend let Ms. Emily know as soon as possible. JA Biztown requires a volunteer for every 6 students. We do need a few more volunteers, so talk to your friends!

You are welcome to take students down early with you if you choose. Just let Ms. Emily know the arrangements that best suit you so she knows how many Front Runner passes to use.

Thank you again for supporting this financial literacy event!

Ms. Emily
