## **CTE Introduction**

Career & Technical Education Introduction (CTE Intro.) is Utah's introductory level Career & Technical Education Core Curriculum requirement for junior high school. It is designed as a one-year/one credit course to help 7th grade learners explore various careers. The CTE teacher, Ms. Emily, will work closely with the 7th grade counselor Ms. Valerie to deliver specific career guidance activities. These activities are designed to enhance math and literacy. Through these activity-centered curriculum students are exposed to careers in the following content areas:

<ul><li>Agriculture</li><li>Marketing</li><li>Engineering</li></ul>	<ul><li>Career Development &amp; Guidance</li><li>Information Technology</li><li>Family &amp; Consumer Science (FACs)</li></ul>	•Health Care Careers •Business
