

# CTE Introduction Study Guide Cycle I “Structure”

Overview: Our focus for this cycle is examining the financial structure in which we live and how you individuals can build a foundation for making intelligent, lifelong, personal financial decisions.

Guiding question: What are the advantages to watching stocks?

Checklist:

\_\_\_\_\_ Using a highlighter, highlight the key words for the terms listed on worksheet and answer the 5 questions listed.

\_\_\_\_\_ Choose three stocks to follow

\_\_\_\_\_ Daily record the market report for your three stocks (on the back of worksheet)

\_\_\_\_\_ Review for unit one test (game)

\_\_\_\_\_ Take unit one test and record your score here:
