

Digital Literacy Study Guide

Cycle II "Force"

Oct . 20- 23

Overview: Cloud computing means that files are saved through websites, rather than being stored on a local computer's hard drive. All of our new mobile devices don't have the storage to house a lot of files or program.

Guiding question:

Checklist:

____ Finish Kahoot quiz (if time present to class)

____ Watch <http://youtu.be/YgKMYzFqBI4> to learn about Google Doodles and see a virtual fieldtrip of the Google headquarters.

____ Submit a Google Doodle
