CTE Introduction
Study guide
January 12-15
Non-Traditional Careers, 21st century skills

Overview: The Partnership for 21st Century Skills is a group of business, government, and education leaders working together to help students leave school with the knowledge and skills necessary to succeed in our modern world. They believe that students need many different kinds of skills to be prepared for the workplace of the 21st century.

Guiding Question: Are there Non-traditional careers you have yet to consider? What 21st century skills should you put in your Career tool box?

Checklist:

____ Input for CDA 12 (non-traditional careers)

____ Output for CDA 12 (The non-traditional career that interests me...)

____ Watch "Break Free of the Barriers That Limit Your Career Choices"

____ Put last term's work in your portfolio

____ Input for CDA 13 (21st Century Skills)

____ In small groups participate in the Skills relay

____ Output for CDA 13 (Circle all the 21st century skills that you are confident in using in your personal lives and your school)
