

## College and Career Awareness

College and Career Awareness is a Utah core curriculum requirement for junior high school. It is designed as a one-year/one credit course to help 7<sup>th</sup> grade learners explore various careers. The teacher, Ms. Emily, will work closely with the 7<sup>th</sup> grade counselor Ms. Valerie, to deliver specific career guidance activities. These activities are designed to enhance math and literacy. Through these activity-centered curriculum students are exposed to careers in the following content areas:

- Agriculture
- Business/Marketing
- Engineering
- Career Development & Guidance
- Information Technology
- Family & Consumer Science (FACs)
- Health Care Careers

Note: any adult who wishes to volunteer their time to enrich in the above subjects please circle the subject(s) and list your name and number: \_\_\_\_\_

### Parent Consent Form

My student \_\_\_\_\_ has my permission to participate in College and Career Awareness activities. I understand that as part of this class my child will be using a variety of tools and equipment (i.e.: saws, exacto knife, sewing machine, stove/oven, blender, etc.) and that they have been or will be given instruction in the safe operation of each item before being allowed to operate it. I also understand that my child will be supervised at all times while engaged in the activities of the class. Furthermore, I understand that my child has been or will be instructed in the use of eye protection and appropriate safety clothing and that eye protection is required at all times as instructed. By signing this disclosure, I give permission for my child to operate tools and equipment as part of this class. Please list any exceptions:
