Cycle 0 Week 3

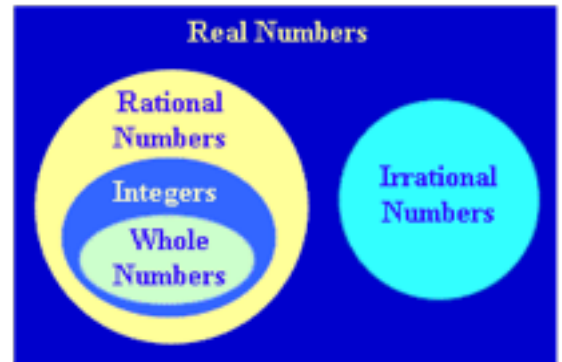

Math II Study Guide Rational and Irrational Numbers

Overview

“If you are not willing to learn no one can help you.
If you are determined to learn no one can stop you”

Can I recognize rational and irrational numbers?

_____ 1. Read the overview. The following vocabulary terms will be discussed during your course of study: **Rational** and **Irrational Numbers**. Write these terms and their definitions on your Math Journals.

Week 3 (September 2–5)

Complete the following homework activities (you will also have time to work on these activities during class):

- _____ 2. Wednesday Night Homework: Rational and Irrational Number Table **bring to class on Wednesday.**
- _____ 3. Thursday Night Homework: Khan Academy Recognize Rational and Irrational numbers and Approximating Irrational Numbers **complete online by Friday Night.**

Complete the following in class:

- _____ 1. Math Journal Entries
- _____ 2. Vocabulary
- _____ 3. In class Activities

Please turn in all work on due dates listed.
