

Name: _____

Cycle 1 Week 9

**Math IIX Study Guide
Linear Equations**

CAN I:

- Solve Linear equations with one variable
- Solve real world problems involving linear equations with one variable

_____ 1. The following vocabulary terms will be discussed during your course of study this week **Linear Equations, coefficient, variable**

Week 9 (October 13–15th)

_____ 2. **Monday Night Homework:** Math Book 3.1 1–21 Odd

_____ 3. **Tuesday Night Homework:** Khan Academy Equations with variables on both sides AND Multi-step equations with distribution Have completed online by Wednesday Morning.

_____ 4. **Wednesday Night Homework:** Math Book 3.2 1–14 Even

Complete the following in class:

_____ 1. In Class Activities

_____ 2. Math Journal Entries

_____ 3. Vocabulary

Please turn in all work on dates listed. Anything not turned in on date listed gets half credit. Anything not turned in gets no credit.
