Cycle 1 Week 1

## U.S. History/Utah Studies Study Guide Structures

### Overview

This week we will launch the cycle theme of **STRUCTURES** into our construction of our dioramas.

Everyone should have brought a shoebox to make their scene. We will take class time to build and present our dioramas to group members. Each group will have a scene depicted from a **PLAY, STORY, NON-FICTION TEXT, OR A POEM**. Students will also present their current events to the class. Each student has signed up for one date in the cycle to present. You can check for your date on the wall of our classroom in case you forgot. Finally, we will be celebrating Constitution Day and International Peace Day in class. You will be asked to create a “pinwheel of peace” to display with the rest of the school.
