Cycle 2 Week 1

## U.S. History/Utah Studies Study Guide Forces

### Overview

This is our introductory week to the new cycle theme, **FORCES**. We will define its elements and find examples in nature, in **Uprising**, and in current events found in CNN Student News. Our goal is to *write clearly* about the connections you find. You will also have the chance to explore the history of the U.S. as a superpower in the Nystrom U.S. History world atlas. This should help to understand how and why the U.S. is involved in so many international issues that you brought up in the last cycle during current events.

### Week 1 (October 27-31)

Complete the following in class:

- \_\_\_\_\_ 1. Current Event notes (in your journal)
- \_\_\_\_\_ 2. **Uprising** by Margaret Peterson Haddix (journal responses)
- \_\_\_\_\_ 3. Forces definitions and examples (in your journal)
- \_\_\_\_\_ 4. U.S. as a Superpower—Nystrom U.S. History Atlas – get from Ms. Fallon
