

Answer the questions. Use the writing checklist to help you organize your writing.

1. How did natural forces shape the environment and landscape?

2. How did natural forces form the mountains and plateaus in Utah?

3. How do natural forces continue to change the environment?

Writing Checklist:

- ☐ Read each question. Think about your responses.
- ☐ Use this paper to write a first draft of your responses to each question.
- ☐ Be sure your responses have:
 - a topic sentence
 - at least three supporting sentences
 - a concluding sentence
- ☐ Edit your responses for spelling, grammar, punctuation, and capitalization.
- ☐ On another piece of paper, write a final draft of your responses to each question.
