

READING LITERATURE STANDARD 1

CYCLE: COMMUNITY

WHAT IS THE STANDARD: "Cite several pieces of evidence, support analysis of what the text says, and draw inferences from the text"

WHAT IT MEANS: You need to prove something to me using quotes from texts as your evidence or proof. This includes use quotation marks correctly and citing page numbers.

LEVEL 2: Why do you think Mrs. Owens insists on keeping the baby? State your opinion, but write the page number from the book as evidence.

LEVEL 3: Silas is described as a solitary stranger who belongs neither to the world of the living nor to the world of the dead. What peculiar habits and attributes does he seem to possess? Use page numbers as evidence.

LEVEL 4: Silas is described as a solitary stranger who belongs neither to the world of the living nor to the world of the dead. What peculiar habits and attributes does he seem to possess? Write down direct quotes with quotation marks and page numbers as your evidence. Remember: your evidence is not the same as what you are proving.
