Quality of Life

- ✧ Raised the standard of living for middle and upper class
- ✧ Life for the poor: low wages, dangerous conditions, easily replaceable
- ✧ Kids under the age of 15 were working to make a living
- ✧ With new machines being built, workers lost their job

Exit Question

Picture yourself in this time period as a poor individual. You are a young boy/girl and you need to make money to support your family.

What job would you have? Explain why you picked that job.
