Your poster must include the following:

- Location of your tribe on a map of Utah
- Shelter of your tribe including a description and drawing or model (bring what you need from home to build during class time)
- Diet of your tribe
- Weapons of your tribe including a description and drawing or model (if you have examples from home, you can bring these)
- Brief history (two paragraphs) of your tribe, in chronological order.
  - Include important leaders
- Summary of at least one piece of folklore, including a visual representation
  - Can be comic book style with panels or a drawing
  - Must be in color
- Important mythological figures with description and visual representation

All work must be done to your highest ability. Take pride in your work and create a beautiful project.
