

Expert Project: Choosing a Topic

Here are some questions to ask yourself as you think about what topic you would like to research:

1. What things have I always wondered about?
2. What things am I good at?
3. What things do I enjoy doing?
4. If I could solve one problem, what would it be?

Complete the following assignment before school begins again in the fall. You may use lined paper if you run out of space, or you may type your responses.
