

Maria Montessori Academy
Field Experience on May 2, 2019
At Discovery Gateway Clark Planetarium
110 400 W. Salt Lake City

The lead instructor is Ms. Krista; kcurran@mariamontessoriacademy.org

We will participate in interactive displays and a workshop on planets. We will also attend a movie at the Dome theater on extreme space.

What you will do and what you will learn

- Discover, explore, and create with interactive hands-on exhibits
- Science and space through interactive displays
- Workshop on planets
- Attend a movie on extreme space

What you will need to wear or bring
--

- School uniform
- Sack lunch and water bottle with easy to carry backpack

Our Schedule

- 8:10 a.m. – Meet at UTA train station on Wall Ave (2350 Wall Ave) and board Frontrunner.
- Arrive at Clark Planetarium by 9:45 a.m. Explore the planetarium and it's interactive exhibits.
- 10:30 – Participate in Science Around the Sphere.
- 11:30 – Attend a movie at the Dome Theater about deep space. Lunch will be eaten after the movie at the Dome Theater. Students will walk with chaperones to fountain area of the Gateway to enjoy lunch.
- 1:10 p.m. – Leave Clark Planetarium and board frontrunner for ride home. Will arrive back at the station on Wall Ave in Ogden at 2:24 p.m. Parents will need to pick children up there. Please be at the station by 2:20.
